

# Miller Outdoor Theatre Sidelight Ladders

1 Ladder Hang: Plan View  
Scale: 1/4" = 1'-0"

2 Ladder Hang: Section View  
Scale: 1/4" = 1'-0"

## General Notes

1. All (8) ladders are built identically from 1-1/4" Schedule 40 Black Steel Pipe with rungs welded on 2' centers along a vertical central column
2. Sidelight ladders are dead hung from the grid at 33'-6" off Center Line
3. Stage Left ladders are a Reverse and Repeat of the Stage Right ladders shown
