The following are strategic goals we have set for 2026 programming.

**Audience Development and Outreach** – To continue serving our city through Miller traditions and invite new audiences and visitors to Miller, with a focus on (but not limited to) younger adults (under 60), diverse cultural heritage, disability, and socioeconomic status.

**Spotlighting Houston** – To prioritize partnerships with local artists, arts organizations, and creative workers in order to strengthen Houston's creative economy and invest in sustainable cultural infrastructure.

**Cultural Tourism/Impact** - To produce quality entertainment and arts programming that attracts visitors to Houston and actively participates the City's efforts in increasing tourism to our area.

**Impact** – To present shows that deliver the highest possible impact—artistically, socially, and economically—aligning with our mission while maximizing the influence of a shortened performance calendar.
